**WIRELESS TELECOMMUNICATIONS BUREAU EXTENDS PERIOD TO FILE REPLY
COMMENTS ON MOTOROLA, INC. REQUEST FOR INTERPRETATION OR WAIVER OF
SECTION 90.267 OF THE COMMISSION'S RULES REGARDING 450-470 MHZ BAND LOW
POWER OPERATIONS**

WT Docket No. 10-74

Reply Comment Date: May 14, 2010

By this Public Notice, we extend the deadline for filing reply comments in response to the *Public Notice*¹ seeking comment on the request of Motorola, Inc. (Motorola) for interpretation or waiver of Section 90.267 of the Commission's Rules.² Interested parties will now have until May 14, 2010 to file reply comments, as opposed to the May 4, 2010 deadline set forth in the *Public Notice*.

On April 28, 2010, Motorola requested an extension of time for interested parties to submit reply comments in response to the *Public Notice*.³ Motorola requests an extension to allow it to understand and respond to concerns raised in comments to the *Public Notice* filed by the Association of Public-Safety Communications Officials-International, Inc. (APCO) and Enterprise Wireless Alliance (EWA). Motorola states that APCO and EWA have been informed of the extension request, and do not object.

It is the general policy of the Commission that extensions of time shall not be routinely granted.⁴ We agree that a limited extension of time to file reply comments is warranted to ensure that the Commission obtains a complete and thorough record, but we do not believe that a thirty-day extension is warranted. Accordingly, we extend the deadline for filing reply comments until May 14, 2010.

For further information, please contact Mr. Rodney Conway of the Wireless Telecommunications Bureau, Mobility Division, at (202) 418-2904, Rodney.Conway@fcc.gov.
